ABOUT ME

Final year Computer Science undergraduate experienced in **backend** development and modern engineering practices. Specializing in **Java** and **Spring Boot**, with growing interest in **DevOps**, and actively writing **blogs** on diverse topics.

EDUCATION

Mawlana Bhashani Science and Technology University

March 2022 – Expected June 2026

B.Sc. (Engineering) in Computer Science and Engineering

Status: Completed all coursework; final defense pending

Current CGPA: 3.40/4.00

TECHNICAL SKILLS

Programming Languages: **C**, **C++**, **Java**, Go (Golang)

Frameworks & Libraries: **Spring Boot**, React, React Native, JUnit 5

Databases: **MySQL**, **PostgreSQL**, MongoDB, Redis

DevOps & Tools: **Git**, **GitHub**, **Postman**, GitHub Actions, Docker

Web Technologies: HTML, CSS, JSON, Thymeleaf

Operating Systems: **Windows**, Linux (**Fedora**, Ubuntu)

Technical Writing: LaTeX, Overleaf

PROJECTS

- **Logistics Platform API** February 2026
A backend API platform for managing logistics operations (locations, storage, products, routes, demands).
Feature: Dockerized & deployed on Render with GitHub Actions CI; tested with JUnit 5, including exception handling & input validation.
Technologies: Spring Boot, PostgreSQL, GitHub Actions, JUnit, Docker.
Links: [Swagger Docs] [Postman Collection] [GitHub Repository]
- **Server Monitoring Dashboard** March 2026
A real-time monitoring platform that connects to remote **Linux servers via SSH**, collects system metrics (CPU, memory, disk), and visualizes them in a React dashboard running on **localhost**.
Feature: Secure SSH connection with JSch; real-time metric fetching; **Spring Boot REST APIs** backend; frontend in **React**.
Technologies: Spring Boot, JSch, React.

PROBLEM SOLVING

- Codeforces : Solved: 240+ **alamgirr**
- Codechef : Solved: 120+ **alamgir_12**
- Vjudge : Solved: 150+ **alamgir_12**

CERTIFICATIONS

- Linux Essentials | Cisco Networking Academy
- Git Training | Simplilearn
- 5-Day AI Agents Intensive Course with Google | Google x Kaggle

VOLUNTEER EXPERIENCE

- **Treasurer | MBSTU Clean Club** 2024–Present
Organized 20+ cleanliness drives, led the planting of 100+ trees, and managed fundraising initiatives.
- **Vice President | Children's Heaven Tangail** 2022–2025
Participated in 30+ community events and led fundraising initiatives.
- **Member | BD Clean Tangail** 2024–2025
Participated in 4 divisional cleanliness drives.
